Situated in the quiet, leafy eastern side of Hatfield, close to Pretoria's vibrant student hub, the Village is the ideal location to reach major landmarks in Pretoria, such as –

Sporting facilities – bordering on LC de Villiers and the High Performance Centre of the University of Pretoria, minutes away from Loftus.

Hospitals – a few minutes away from the Urological Hospital, Eye Institute, Heart Hospital and Little Company of Mary.

Restaurants and nightlife – Hatfield is a hive of activity during the day and at night, with restaurants, clubs, pubs; the lively heart of the city where the young and young-at-heart meet.

Highways and byways – the N1 highway, linking Pretoria to Johannesburg to the south and Mpumalanga and the Limpopo provinces to the east and north, is a few minutes' drive away and a trip to or from OR Tambo International Airport will take approximately half an hour.
